

The Hong Kong Society of Child Neurology and Developmental Paediatrics

Annual Scientific Meeting 2007

on

“Energy Crisis of Nervous System”

16 – 19 November 2007

Second Announcement

Dear colleagues,

This is to remind you that our Annual Scientific Meeting for this year will be held on 16 – 19 November (Friday – Monday) at the Queen Elizabeth Hospital and the Marco Polo Hong Kong Hotel. The theme for the meeting is “**Energy Crisis of Nervous System**”. We are privileged to have Dr. Ingrid Tein from Canada as our course director to deliver lectures covering important aspects on conditions related to energy failure in nervous system.

Dr. Ingrid Tein is an Associate Professor of the Department of Paediatrics at the University of Toronto. She is also the Staff Neurologist and the Senior Scientist in the Research Institute at the Hospital for Sick Children. Dr. Tein directs the Neuro-metabolic Clinic and Neuro-investigational Unit for the investigation, management and treatment of children with a variety of neuro-metabolic diseases including mitochondrial disorders, fatty acid oxidation defects, peroxisomal disorders, glycolytic/glycogenolytic defects, organic acidurias, etc. Her research interests are fatty acid oxidation and molecular genetics. In future, she will focus on the development of Paediatric Metabolic Exercise Physiology Unit.

In addition to Dr. Tein, we will also be hosting local experts from the fields of neurology, paediatrics and pathology, to share with us their latest research, both basic and clinical, and the most up-to-date information on this area, which will be of interest to specialists and professionals alike.

Your attendance will no doubt prove to be a valuable and enjoyable experience. We sincerely invite you, your staff and your colleagues to join with other attendants to exchange new ideas and share your experiences and knowledge in this meeting should you not return your registration form to the meeting secretariat yet. The registration fee will be waived for members of our society. For non-members, it is \$200 per person.

You are also invited to submit abstracts for the free paper presentation session. Any topics related to Child Neurology and Developmental Paediatrics are welcomed. For detailed information, please refer to the attached “Call for Abstracts” submission form.

For any enquiry about this meeting, please do not hesitate to contact our meeting secretariat at tel: (852) 2155 8557 / 2559 5888 or e-mail to meeting.hk@asia.cmpmedica.com or visit our Society’s website at www.fmshk.com.hk/hkcndp/index.htm

Look forward to seeing you in the meeting.

Yours sincerely,

Dr. Chok-wan Chan
President

The Hong Kong Society of Child Neurology and Developmental Paediatrics
