

The Journal of the Hong Kong Geriatrics Society is the official journal of the Hong Kong Geriatrics Society. The Hong Kong Geriatrics Society (formerly the Hong Kong Geriatric Society) was first established in 1981. Members include Geriatricians, Geriatricians in training, and medical professionals with special interests in elderly care. The main objective of the Society is to promote and encourage advancement of medical science of Geriatrics, geriatric training and research. Further information of the Society can be reached at <http://www.medicine.org.hk/hkgsnewhome/>.

The Journal is published twice yearly in January and July of the year. Those who are interested to submit articles can refer to "Instructions to Contributors" for submission.
